Item 1.01. Entry into a Material Definitive Agreement.

On April 21, 2016, Ring Energy, Inc. (the "Company") entered into an underwriting agreement (the "Underwriting Agreement") with SunTrust Robinson Humphrey, Inc. and Seaport Global Securities LLC, as representatives of the several underwriters named therein (collectively, the "Underwriters"), providing for the offer and sale in a firm commitment offering of 10,000,000 shares (the "Shares") of the Company's common stock, par value \$0.001 per share (the "Common Stock"), at a public offering price of \$5.60 per share of Common Stock. Pursuant to the Underwriting Agreement, the Company granted the Underwriters a 30-day option to purchase up to 1,500,000 additional shares of Common Stock (the "Additional Shares") at the same price, and the Underwriters exercised in full their over-allotment option to purchase the Additional Shares from the Company.

The offer and sale of the Common Stock is registered under the Securities Act of 1933, as amended (the "Securities Act"), pursuant to a Registration Statement on Form S-3 (File No. 333-200324) (the "Shelf Registration Statement"), which was declared effective by the Securities and Exchange Commission (the "SEC") on December 3, 2014. A preliminary prospectus supplement was filed with the SEC on April 20, 2016, and a final prospectus supplement was filed with the SEC on April 22, 2016 (collectively, the "Prospectus"). The Company expects the sale of the Shares to close on or about April 26, 2016.

The Company intends to use the net proceeds from this offering of approximately \$61 million, including the exercise of the over-allotment option, to initiate its pilot horizontal drilling program, repay indebtedness outstanding under its revolving credit facility, and for general corporate purposes.

In the Underwriting Agreement, the Company agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriters may be required to make because of any of those liabilities.

Certain of the Underwriters and their respective affiliates have from time to time performed, and may in the future perform, various financial advisory, commercial banking, and investment banking services for the Company in the ordinary course of business for which they have received and would receive customary compensation. Affiliates of SunTrust Robinson Humphrey, Inc. are lenders under our revolving credit facility, and they may receive more than 5% of the net proceeds of this offering in connection with the repayment of amounts under such credit agreement.

The foregoing description of the Underwriting Agreement is qualified by reference to the complete document, which is filed as Exhibit 1.1 to this Form 8-K and is incorporated herein by reference.

The Company is eligible to use Form S-3 pursuant to General Instruction I.B.1. of such form. The most recent Preliminary Prospectus conformed, and the Prospectus will conform when filed with the Commission pursuant to Rule 424(b) and on each applicable Delivery Date, in all material respects, to the requirements of the Securities Act and the Rules and Regulations. The documents incorporated by reference in the Registration Statement, Preliminary Prospectus or the Prospectus conformed, when filed with the Commission, in all material respects to the requirements of the Exchange Act or the Securities Act, as applicable, and the Rules and Regulations; no such incorporated document when it was filed (or, if an amendment with respect to any such document was filed, when such amendment was filed), contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the context in which they were made, not misleading; and no such further incorporated document, when it is filed, will contain an untrue statement of a material fact or will omit to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading.

(e) The Registration Statement does not and did not as of the Effective Date, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein not misleading; *provided* that no representation or warranty is made as to information contained in or omitted from the Registration Statement, or any Rule 462(b) Registration Statement, or any post-effective amendment thereto, made in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by the Representatives on behalf of any Underwriter, which information is specified in Section 8(e).

(f) The Prospectus will not, as of its date and on each applicable Delivery Date, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances which they were made, not misleading; *provided* that no representation or warranty is made as to information contained in or omitted from the Prospectus made in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by the Representatives on behalf of any Underwriter, which information is specified in Section 8(e).

(g) The documents incorporated by reference in the Registration Statement, Preliminary Prospectus or the Prospectus did not, when filed with the Commission, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(h) The Pricing Disclosure Package did not, as of the Applicable Time, contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided* that no representation or warranty is made as to information contained in or omitted from the Pricing Disclosure Package made in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by the Representatives on behalf of any Underwriter, which information is specified in Section 8(e).

(i) Each Issuer Free Writing Prospectus (including, without limitation, any road show that is a free writing prospectus under Rule 433), as of its issue date and at all subsequent times throughout the completion of the public offer and sale of the Shares, when considered together with the Pricing Disclosure Package as of the Applicable Time, did not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided* that no representation or warranty is made as to information contained in or omitted from the Issuer Free Writing Prospectus (including, without limitation, any road show that is a free writing prospectus under Rule 433) made in reliance upon and in conformity with information relating to any Underwriter furnished to the Company in writing by the Representatives on behalf of any Underwriter, which information is specified in Section 8(e).

(j) Each Issuer Free Writing Prospectus conformed or will conform in all material respects to the requirements of the Securities Act and the Rules and Regulations on the date of first use, and the Company has complied with all prospectus delivery and any filing requirements applicable to such Issuer Free Writing Prospectus pursuant to the Rules and Regulations. The Company has not made any offer relating to the Shares that would constitute an Issuer Free Writing Prospectus without the prior written consent of the Representatives, except as set forth on Schedule II hereto. The Company has retained in accordance with the Rules and Regulations all Issuer Free Writing Prospectuses that were not required to be filed pursuant to the Rules and Regulations. The Company has taken all actions necessary so that any “road show” (as defined in Rule 433 of the Rules and Regulations) in connection with the offering of the Shares will not be required to be filed pursuant to the Rules and Regulations.

(k) Each of the Company and its subsidiaries (as defined in Section 17) has been duly organized, is validly existing and in good standing as a corporation or other business entity under the laws of its jurisdiction of organization; each of the Company and its subsidiaries (as defined in Section 17) is duly qualified to do business and in good standing as a foreign corporation or other business entity in each jurisdiction in which its ownership or lease of property or the conduct of its businesses requires such qualification, except where the failure to be so qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a material adverse effect on (i) the condition (financial or otherwise), results of operations, stockholders’ equity, properties, business or prospects of the Company and its subsidiaries or (ii) the ability of the Company to consummate the transactions contemplated hereby (in each case, a “**Material Adverse Effect**”); and each of the Company and its subsidiaries has all power and authority necessary to own or hold its properties and to conduct the businesses in which it is engaged and as disclosed in the Pricing Disclosure Package. The Company does not own or control, directly or indirectly, any corporation, association or other entity other than Stanford Energy, Inc., which is a “significant subsidiary” (as defined in Rule 405).

(l) The Company has an authorized capitalization as set forth in each of the most recent Preliminary Prospectus and the Prospectus, and all of the issued shares of capital stock of the Company have been duly authorized and validly issued, are fully paid and non-assessable, conform to the description thereof contained in the most recent Preliminary Prospectus and were issued in compliance with federal and state securities laws and not in violation of any preemptive right, resale right, right of first refusal or similar right. All of the issued shares of capital stock of each subsidiary of the Company are owned directly or indirectly by the Company, free and clear of all liens, encumbrances, equities or claims, except for such liens, encumbrances, equities or claims as would not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

(m) The Shares to be issued and sold by the Company to the Underwriters hereunder have been duly authorized by all necessary corporate action on the part of the Company and, upon payment and delivery in accordance with this Agreement, will be validly issued, fully paid and non-assessable, will conform to the description thereof contained in the Prospectus, will be issued in compliance with federal and state securities laws and will be free of statutory and contractual preemptive rights and rights of first refusal.

(n) The Company has all requisite corporate power and authority to execute, deliver and perform its obligations under this Agreement. This Agreement has been duly and validly authorized, executed and delivered by the Company.

(o) The execution, delivery and performance of this Agreement, the consummation of the transactions contemplated hereby and the application of the proceeds from the sale of the Shares as described under "Use of Proceeds" in the Prospectus will not (i) conflict with or result in a breach or violation of any of the terms or provisions of, impose any lien, charge or encumbrance upon any property or assets of the Company and its subsidiaries, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement, license or other agreement or instrument to which the Company or any of its subsidiaries is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject; (ii) result in any violation of the provisions of the charter or by-laws (or similar organizational documents) of the Company or any of its subsidiaries; or (iii) result in any violation of any statute or any order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Company or any of its subsidiaries or any of their properties or assets, except in the cases of clauses (i) and (iii), any conflicts, breaches, violations or defaults which, individually or in the aggregate, would not result in a Material Adverse Effect.

(p) No consent, approval, authorization or order of, or filing, registration or qualification with, any person (including any court or governmental agency or body having jurisdiction over the Company or any of its subsidiaries or any of their properties or assets) is required to be obtained by the Company for the execution, delivery and performance of this Agreement, the consummation of the transactions contemplated hereby, the application of the proceeds from the sale of the Shares as described under "Use of Proceeds" in the Prospectus, except for the registration of the Shares under the Securities Act and such consents, approvals, authorizations, orders, filings, registrations or qualifications as may be required under the Exchange Act, the rules and regulations of the Financial Industry Regulatory Authority, Inc. ("FINRA") and applicable state securities laws in connection with the purchase and sale of the Shares by the Underwriters.

(q) Except as described in the Prospectus, there are no contracts, agreements or understandings between the Company and any person granting such person the right (other than rights which have been waived in writing or otherwise satisfied) to require the Company to file a registration statement under the Securities Act with respect to any securities of the Company owned or to be owned by such person or to require the Company to include such securities in the securities registered pursuant to the Registration Statement or in any securities being registered pursuant to any other registration statement filed by the Company under the Securities Act.

(r) The Company has not sold or issued any securities that would be integrated with the offering of the Shares contemplated by this Agreement pursuant to the Securities Act, the Rules and Regulations or the interpretations thereof by the Commission.

(s) Neither the Company nor any of its subsidiaries has sustained, since the date of the latest audited financial statements included or incorporated by reference in the most recent Preliminary Prospectus, any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor dispute or court or governmental action, order or decree, and since such date, there has not been any change in the capital stock or long-term debt or net current assets of the Company or any of its subsidiaries or any adverse change, or any development or event involving a prospective change, in or affecting the condition (financial or otherwise), results of operations, stockholders' equity, properties, management, business or prospects of the Company and its subsidiaries taken as a whole, in each case except as would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(t) Since the date as of which information is given in the Prospectus and except as described in the Prospectus, the Company has not (i) incurred any material liability or obligation, direct or contingent, other than liabilities and obligations that were incurred in the ordinary course of business, (ii) entered into any material transaction not in the ordinary course of business, (iii) declared or paid any dividend on its capital stock or (iv) purchased any of its capital stock.

(u) The historical financial statements (including the related notes and supporting schedules) included or incorporated by reference in the Registration Statement, the Pricing Disclosure Package and the Prospectus comply as to form in all material respects with the requirements of Regulation S-X under the Securities Act and present fairly, in all material respects, the financial condition, results of operations and cash flows of the entities purported to be shown thereby at the dates and for the periods indicated and have been prepared in conformity with accounting principles generally accepted in the United States applied on a consistent basis throughout the periods involved and the schedules included or incorporated by reference in the Registration Statement, the Pricing Disclosure Package and the Prospectus present fairly, in all material respects, the information required to be stated therein.

(v) Eide Bailly LLP, who have certified certain financial statements of the Company and its consolidated subsidiaries, whose reports are incorporated by reference in the Registration Statement, the Pricing Disclosure Package and the Prospectus and who have delivered the initial letter referred to in Section 7(g) hereof, are independent public accountants as required by the Securities Act and the Rules and Regulations.

(w) Each of (i) Cawley, Gillespie & Associates, Inc. and (ii) Williamson Petroleum Consultants, Inc., whose reports are incorporated by reference in the Registration Statement, the Pricing Disclosure Package and the Prospectus, was, as of the date of such report, and is, as of the date hereof, an independent oil and gas consultant and petroleum engineer, with respect to the Company. The information contained in the Pricing Disclosure Package and the Prospectus regarding estimated proved oil and gas reserves is based upon the reserve reports prepared by each of (i) Cawley, Gillespie & Associates, Inc and (ii) Williamson Petroleum Consultants, Inc. The information provided to each of (i) Cawley, Gillespie & Associates, Inc. and (ii) Williamson Petroleum Consultants, Inc. by the Company, including, without limitation, information as to production, costs of operation and development, current prices for production and agreements relating to current and future operations and sales of production, was true and correct in all material respects on the dates the reports were made. Such information was provided to each of (i) Cawley, Gillespie & Associates, Inc. and (ii) Williamson Petroleum Consultants, Inc. in accordance with all customary industry practices. The reserve reports prepared by each of (i) Cawley, Gillespie & Associates, Inc. and (ii) Williamson Petroleum Consultants, Inc. setting forth the estimated proved reserves attributed to the oil and gas properties of the Company accurately reflect in all material respects the ownership interests of the Company, its subsidiaries and its predecessors. Other than normal production of reserves, intervening market commodity price fluctuations, fluctuations in demand for such products, adverse weather conditions, unavailability or increased costs of rigs, equipment, supplies or personnel, the timing of third party operations and other facts, in each case in the ordinary course of business, and except as disclosed in the Pricing Disclosure Package and the Prospectus, the Company is not aware of any facts or circumstances that would result in a material adverse change in the aggregate net reserves, or the present value of future net cash flows therefrom, as described in the Pricing Disclosure Package or the Prospectus and reserve reports; and estimates of such reserves and present values as described in the Pricing Disclosure Package or the Prospectus and reflected in the reserve reports comply in all material respects with the applicable requirements of Regulation S-X.

(x) The statements in the Pricing Disclosure Package and the Prospectus under the heading “Description of Capital Stock”, insofar as such statements summarize legal matters, agreements, documents or proceedings discussed therein, are, in all material respects, accurate and fair summaries of such legal matters, agreements, documents or proceedings and present the information required to be shown.

(y) Except as (a) otherwise set forth in the Pricing Disclosure Package and the Prospectus or (b) in the aggregate does not result in a Material Adverse Effect, the Company and each subsidiary have title to their respective properties as follows: (i) with respect to wells (including leasehold interests and appurtenant personal property) and non-producing oil and natural gas properties (including undeveloped locations on leases held by production and those leases not held by production), such title is good and free and clear of all liens, security interests, pledges, charges, encumbrances, mortgages and restrictions, (ii) with respect to non-producing properties in exploration prospects, such title was investigated in accordance with customary industry procedures prior to the acquisition thereof by the Company or any subsidiary, (iii) with respect to real property other than oil and gas interests, such title is good and marketable free and clear of all liens, security interests, pledges, charges, encumbrances, mortgages and restrictions, and (iv) with respect to personal property other than that appurtenant to oil and gas interests, such title is free and clear of all liens, security interests, pledges, charges, encumbrances, mortgages and restrictions. No other real property owned, leased, or used by the Company or any subsidiary lies in an area which is, or to the knowledge of the Company will be, subject to restrictions which would prohibit, and no statements of facts relating to the actions or inaction of another person or entity or his or its ownership, leasing, or use of any real or personal property exists which would prevent, the continued effective ownership, leasing, exploration, development or production or use of such real property in the business of the Company or any subsidiary as presently conducted or as the Registration Statement, the Pricing Disclosure Package or the Prospectus indicates they contemplate conducting, except as may be properly described in the Registration Statement, the Pricing Disclosure Package or the Prospectus or such as in the aggregate do not now cause and will not in the future result in a Material Adverse Effect.

(z) The Company and each of its subsidiaries carry, or are covered by, insurance from insurers of recognized financial responsibility in such amounts and covering such risks as is reasonably adequate for the conduct of their respective businesses and the value of their respective properties and as is customary for companies engaged in similar businesses in similar industries. All policies of insurance of the Company and its subsidiaries are in full force and effect; the Company and its subsidiaries are in compliance with the terms of such policies in all material respects; and neither the Company nor any of its subsidiaries has received notice from any insurer or agent of such insurer that capital improvements or other expenditures are required or necessary to be made in order to continue such insurance; there are no claims by the Company or any of its subsidiaries under any such policy or instrument as to which any insurance company is denying liability or defending under a reservation of rights clause; and neither the Company nor any such subsidiary has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not reasonably be expected to have a Material Adverse Effect.

(aa) Except as disclosed in the Registration Statement, the Pricing Disclosure Package or the Prospectus, the Company has not sold or issued any securities during the six-month period preceding the date of the Prospectus, including but not limited to any sales pursuant to Rule 144A or Regulation D or S of the Securities Act.

(bb) Any statistical and market-related data in the Prospectus and the consolidated financial statements of the Company and its subsidiaries included or incorporated by reference in the Pricing Disclosure Package or the Prospectus are based on or derived from sources that the Company believes to be reliable and accurate.

(cc) Neither the Company nor any subsidiary is, and as of the applicable Delivery Date and, after giving effect to the offer and sale of the Shares and the application of the proceeds therefrom as described under "Use of Proceeds" in the most recent Preliminary Prospectus and the Prospectus, none of them will be, (i) an "investment company" within the meaning of such term under the Investment Company Act of 1940, as amended (the "**Investment Company Act**"), and the Rules and Regulations or (ii) a "business development company" (as defined in Section 2(a)(48) of the Investment Company Act).

(dd) There are no legal or governmental actions, suits or proceedings pending (including any inquiries or investigations) to which the Company or any of its subsidiaries is a party or of which any property or assets of the Company or any of its subsidiaries is the subject that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect or would, materially and adversely affect the performance of this Agreement or the consummation of the transactions contemplated hereby; and no such proceedings are threatened or to the Company's knowledge, contemplated by governmental authorities or others.

(ee) There are no legal or governmental proceedings or contracts or other documents of a character required to be described in the Registration Statement or the Prospectus or, in the case of documents, to be filed as exhibits to the Registration Statement that are not described and filed as required. Neither the Company nor any of its subsidiaries has knowledge that any other party to any such contract, agreement or arrangement has any intention not to render full performance as contemplated by the terms thereof.

(ff) No relationship, direct or indirect, or related-party transaction exists between or among the Company or any of its subsidiaries, on the one hand, and the directors, officers, or, to the Company's knowledge, stockholders, customers or suppliers, of the Company, on the other hand, that is required to be described in the most recent Preliminary Prospectus which is not so described in such document.

(gg) There are no outstanding loans, advances (except normal advances for business expenses in the ordinary course of business) or guarantees of indebtedness by the Company to or for the benefit of any of the officers or directors of the Company or any of their respective family members. The Company has not, directly or indirectly, including through its subsidiaries, extended or maintained credit, arranged for the extension of credit, or renewed an extension of credit, in the form of a personal loan to or for any director or executive officer of the Company, other than any extensions of credit that ceased to be outstanding prior to the date the Registration Statement was first filed with the Commission.

(hh) No labor disturbance by the employees of the Company or its subsidiaries exists or, to the knowledge of the Company, is imminent that could reasonably be expected to have a Material Adverse Effect.

The respective purchase obligations of the Underwriters with respect to the Firm Shares shall be rounded among the Underwriters to avoid fractional shares, as the Representatives may determine.

In addition, the Company grants to the Underwriters an option to purchase up to 1,500,000 additional Option Shares. Each Underwriter agrees, severally and not jointly, to purchase the number of Option Shares (subject to such adjustments to eliminate fractional shares as the Representatives may determine) that bears the same proportion to the total number of Option Shares to be sold on such Delivery Date as the number of Firm Shares set forth in Schedule I hereto opposite the name of such Underwriter bears to the total number of Firm Shares. The option granted will expire 30 days after the date of this Agreement and may be exercised in whole or from time to time in part by written notice being given to the Company by the Representatives; *provided* that if such date falls on a day that is not a business day, the option granted in Section 2 will expire on the next succeeding business day. Such notice shall set forth the aggregate number of Option Shares as to which the option is being exercised, the names in which the Option Shares are to be registered, the denominations in which the Option Shares are to be issued and the date and time, as determined by the Representatives, when the Option Shares are to be delivered; *provided, however*, that this date and time shall not be earlier than the Initial Delivery Date (as hereinafter defined) nor earlier than the second business day after the date on which the option shall have been exercised nor later than the fifth business day after the date on which the option shall have been exercised. Any notice delivered after the 30th business day after the date of this Agreement shall be invalid and of no force or effect.

The price of both the Firm Shares and any Option Shares purchased by the Underwriters shall be \$5.32 per share.

The Company shall not be obligated to deliver any of the Firm Shares or Option Shares to be delivered on the applicable Delivery Date, except upon payment for all such Shares to be purchased on such Delivery Date as provided herein.

3. Offering of Stock by the Underwriters. Upon authorization by the Representatives of the release of the Firm Shares, the several Underwriters intend to offer the Firm Shares for sale upon the terms and conditions to be set forth in the Prospectus.

4. Delivery of and Payment for the Shares Delivery of and payment for the Firm Shares shall be made at 10:00 a.m., New York City time, on the third full business day following the date of this Agreement or at such other date or place as shall be determined by agreement between the Representatives and the Company against the irrevocable release of a wire transfer of immediately available funds for the amount of the purchase price of the Firm Shares by the several Underwriters through the Representatives or upon the order of the Company by wire transfer in immediately available funds to the account specified by the Company. This date and time are sometimes referred to as the “**Initial Delivery Date**.” Time shall be of the essence, and delivery at the time and place specified pursuant to this Agreement is a further condition of the obligation of each Underwriter hereunder. The Company shall deliver the Firm Shares through the facilities of DTC unless the Representatives shall otherwise instruct.

Delivery of the Option Shares by the Company and payment for the Option Shares by the several Underwriters through the Representatives shall be made at 10:00 a.m., New York City time, on the date specified in the corresponding notice described in Section 2 or at such other date or place as shall be determined by agreement between the Representatives and the Company. Each date and time the Option Shares are delivered in accordance with Section 2 is sometimes referred to as an “**Option Share Delivery Date**,” and the Initial Delivery Date and any Option Share Delivery Date are sometimes each referred to as a “**Delivery Date**.”

On the Option Share Delivery Date, the Company shall deliver or cause to be delivered the Option Shares to the Representatives for the account of each Underwriter against the irrevocable release of a wire transfer of immediately available funds for the amount of the purchase price of the Option Shares by the several Underwriters through the Representatives or upon the order of the Company by wire transfer in immediately available funds to the account specified by the Company. Time shall be of the essence, and delivery at the time and place specified pursuant to this Agreement is a further condition of the obligation of each Underwriter hereunder. The Company shall deliver the Option Shares through the facilities of DTC unless the Representatives shall otherwise instruct.

(g) At the time of execution of this Agreement, the Representatives shall have received from Eide Bailly LLP a letter, in form and substance satisfactory to the Representatives, addressed to the Underwriters and dated the date hereof (i) confirming that they are independent public accountants within the meaning of the Securities Act and are in compliance with the applicable requirements relating to the qualification of accountants under Rule 2-01 of Regulation S-X of the Commission, and (ii) containing statements and information of the type ordinarily included in accountant's "comfort letters" to underwriters, delivered according to Statement of Auditing Standards No. 72 (or any successor bulletin), with respect to the audited and unaudited financial statements and certain financial information contained or incorporated by reference in the Registration Statement, the Preliminary Prospectus, the Pricing Disclosure Package, and any Issuer Free Writing Prospectus.

(h) With respect to the letter of Eide Bailly LLP referred to in the preceding paragraph and delivered to the Representatives concurrently with the execution of this Agreement (the "**initial letter**"), the Company shall have furnished to the Representatives a letter (the "**bring-down letter**") of such accountants, addressed to the Underwriters and dated such Delivery Date (i) confirming that they are independent public accountants within the meaning of the Securities Act and are in compliance with the applicable requirements relating to the qualification of accountants under Rule 2-01 of Regulation S-X of the Commission, (ii) reaffirming the statements and information, in all material respects, made in the initial letter furnished to the Representatives pursuant to subsection (g) of this Section.

(i) At the time of execution of this Agreement, the Representatives shall have received from each of (i) Cawley, Gillespie & Associates, Inc. and (ii) Williamson Petroleum Consultants, Inc. an initial letter (the "**initial expert letter**"), in the form attached hereto as Exhibit C, addressed to the Underwriters and dated the date hereof and a subsequent letter dated as of the Delivery Date, which such letter shall cover the period from any initial expert letter to the Delivery Date, stating the conclusions and findings of such firm with respect to oil and gas reserves as is customary to underwriters in connection with registered public offerings.

(j) The Company shall have furnished to the Representatives a certificate, dated such Delivery Date, of its principal executive officer and its principal financial officer, acting solely in their corporate capacity, stating that:

(i) The representations, warranties and agreements of the Company in Section 1 of this Agreement are true and correct on and as of such Delivery Date, and the Company has complied with all its agreements contained herein and satisfied all the conditions on its part to be performed or satisfied hereunder at or prior to such Delivery Date;

(ii) No stop order suspending the effectiveness of the Registration Statement has been issued; and no proceedings or examination for that purpose have been instituted or threatened or, to the knowledge of such officers, contemplated;

(iii) Such officer has carefully examined the Registration Statement, the Prospectus and the Pricing Disclosure Package, and, in such officer's opinion, (A) (1) the Registration Statement, as of the Effective Date, (2) the Prospectus, as of its date and on the applicable Delivery Date, and (3) the Pricing Disclosure Package, as of the Applicable Time, did not and do not contain any untrue statement of a material fact and did not and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (except in the case of the Registration Statement and the Prospectus, in the light of the circumstances under which they were made) not misleading, and (B) since the Effective Date, no event has occurred that should have been set forth in a supplement or amendment to the Registration Statement, the Prospectus or any Issuer Free Writing Prospectus that has not been so set forth; and

(iv) Since the respective dates as of which information is given in the Pricing Disclosure Package and the Prospectus, there has not been any development that resulted in a Material Adverse Effect.

(k) Except as described in the most recent Preliminary Prospectus, (i) neither the Company nor any of its subsidiaries shall have sustained, since the date of the latest audited financial statements included or incorporated by reference in the most recent Preliminary Prospectus, any loss or interference with its business from fire, explosion, flood or other calamity, whether or not covered by insurance, or from any labor disturbance or dispute or from any court, regulatory authority or governmental action, order or decree or (ii) since such date, there shall not have been any change in the capital stock or long-term debt or net current assets of the Company or any of its subsidiaries or any change, or any development involving a prospective change, in or affecting the condition (financial or otherwise), results of operations, stockholders' equity, properties, management, business or prospects of the Company and its subsidiaries taken as a whole, the effect of which, in any such case described in clause (i) or (ii), is, in the judgment of the Representatives, so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Shares being delivered on such Delivery Date on the terms and in the manner contemplated in the Prospectus.

(l) Subsequent to the execution and delivery of this Agreement, there shall not have occurred any of the following: (i) trading in securities generally on the New York Stock Exchange, the NYSE MKT, the NASDAQ Stock Market or in the over-the-counter market, or trading in any securities of the Company on any exchange or in the over-the-counter market, shall have been suspended or materially limited or the settlement of such trading generally shall have been materially disrupted or minimum prices shall have been established on any such exchange or such market by the Commission, by such exchange or by any other regulatory body or governmental authority having jurisdiction, (ii) a banking moratorium shall have been declared by federal or state authorities, (iii) any attack on, or outbreak involving the United States, the United States shall have become engaged in hostilities, there shall have been an escalation in hostilities involving the United States or there shall have been a declaration of a national emergency or war by the United States or (iv) there shall have occurred such a material adverse change in general economic, political or financial conditions, including, without limitation, as a result of terrorist activities after the date hereof (or the effect of international conditions on the financial markets in the United States shall be such), as to make it, in the judgment of the Representatives, impracticable or inadvisable to proceed with the public offering or delivery of the Shares being delivered on such Delivery Date on the terms and in the manner contemplated in the Prospectus.

(m) The NYSE MKT shall have approved the Shares for listing, subject only to official notice of issuance.

(n) The Lock-Up Agreements between the Representatives and the officers and directors of the Company set forth on Schedule IV, delivered to the Representatives on or before the date of this Agreement, shall be in full force and effect on such Delivery Date.

(o) The Company shall have furnished such other opinions, certificates, letters and documents as the Representatives reasonably request.

All opinions, letters, evidence and certificates mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to counsel for the Underwriters.

8. *Indemnification and Contribution.*

(a) The Company shall indemnify and hold harmless each Underwriter, its directors, officers, employees, partners, agents, affiliates and each person, if any, who controls any Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each an “**Indemnified Party**”), from and against any and all loss, claim, damage or liability, joint or several, or any action in respect thereof (including, but not limited to, any loss, claim, damage, liability or action relating to purchases and sales of Shares), to which such Indemnified Party becomes subject, under the Securities Act, the Exchange Act, other federal or state statutory law or otherwise, insofar as such loss, claim, damage or liability (or action in respect thereof) arises out of, or is based upon, (i) any untrue statement or alleged untrue statement of a material fact contained in (A) any Preliminary Prospectus as of any time, any part of any Registration Statement at any time, the Prospectus or in any amendment or supplement thereto, (B) any Issuer Free Writing Prospectus or in any amendment or supplement thereto or (C) any Permitted Issuer Information used or referred to in any “free writing prospectus” (as defined in Rule 405) used or referred to by any Underwriter, (D) any “road show” (as defined in Rule 433) not constituting an Issuer Free Writing Prospectus (a “**Non-Prospectus Road Show**”) or (E) any Blue Sky application or other document prepared or executed by the Company (or based upon any written information furnished by the Company for use therein) specifically for the purpose of qualifying any or all of the Shares under the securities laws of any state or other jurisdiction (any such application, document or information being hereinafter called a “**Blue Sky Application**”) or (ii) the omission or alleged omission to state in any Preliminary Prospectus, any part of any Registration Statement, the Prospectus, any Issuer Free Writing Prospectus or in any amendment or supplement thereto or in any Permitted Issuer Information, any Non-Prospectus Road Show or any Blue Sky Application, any material fact required to be stated therein or necessary to make the statements therein not misleading, and shall reimburse each Indemnified Party promptly upon demand for any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending or preparing to defend against any such loss, claim, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Indemnified Party is a party thereto), whether threatened or commenced, as such expenses are incurred; *provided, however*, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage, liability or action arises out of, or is based upon, an untrue statement or alleged untrue statement or omission or alleged omission made in any of such documents, in reliance upon and in conformity with written information about such Underwriter furnished to the Company through the Representatives by or on behalf of any Underwriter specifically for inclusion therein, which information consists solely of the information specified in Section 8(e). The foregoing indemnity agreement is in addition to any liability which the Company may otherwise have to any Indemnified Party.

Without limitation, and in addition to its obligations under the other subsections of this Section 8, the Company agrees to indemnify and hold harmless Seaport Global, its affiliates, directors, officers, partners, managers, employees and agents, and each person, if any, who controls Seaport Global within the meaning of either Section 15 of the Securities Act, or Section 20 of the Exchange Act (each a “**QIU Indemnified Party**”), from and against any and all losses, claims, damages, liabilities, expenses and/or judgments, as incurred, to which Seaport Global or any such other QIU Indemnified Party may become subject, insofar as any such loss, claim, damages, liability, expenses and/or judgment (or action in respect thereof) arises out of or is based upon Seaport Global’s acting (or alleged failure to act) as a “qualified independent underwriter” (within the meaning of Rule 5121(f)(12) of FINRA) in connection with the offering of the Shares, and the Company further agrees to reimburse Seaport Global and/or any such other QIU Indemnified Party for any and all legal or other expenses (including, without limitation, the fees and disbursements of special counsel to the Independent Underwriter as stipulated in Section 6 of this Agreement) incurred by Seaport Global or any such other QIU Indemnified Party in connection with investigating, defending, settling, compromising or paying any such loss, claim, damages, liability, expenses and/or judgment (or action in respect thereof); provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim, damages, liability, expense or judgment results solely from Seaport Global’s gross negligence or willful misconduct in its capacity as a qualified independent underwriter and not otherwise. If the indemnification provided for in this second paragraph of this Section 8(a) is unavailable or insufficient to hold harmless any QIU Indemnified Party in respect of losses, claims, damages, liabilities, expenses and/or judgments referred to in the prior sentence, then the Company shall contribute to the amount paid or payable by such QIU Indemnified Party as a result of such losses, claims, damages, liabilities, expenses and/or judgments, based on the factors described in Section 8(d) of this Agreement; provided, however, that (i) the relative benefits received by the Independent Underwriter in connection with the offering of the Shares shall, for purposes of Section 8(d), be deemed to be equal to the compensation, if any, received by the Independent Underwriter solely for acting in the capacity of qualified independent underwriter and (ii) notwithstanding the provisions of Section 8(d), the Independent Underwriter shall not be required to contribute any amount in excess of the compensation, if any, received by the Independent Underwriter solely for acting in the capacity of qualified independent underwriter.

(b) Each Underwriter, severally and not jointly, shall indemnify and hold harmless the Company, its directors, officers who sign a Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (each an “**Underwriter Indemnified Party**”), from and against any loss, claim, damage or liability, joint or several, or any action in respect thereof, to which such Underwriter Indemnified Party becomes subject, under the Securities Act, the Exchange Act, other federal or state statutory law or regulation or otherwise, insofar as such loss, claim, damage, liability or action arises out of, or is based upon, (i) any untrue statement or alleged untrue statement of a material fact contained in any Preliminary Prospectus, any Registration Statement, the Prospectus, any Issuer Free Writing Prospectus or in any amendment or supplement thereto or in any Non-Prospectus Road Show or Blue Sky Application, or (ii) the omission or alleged omission to state in any Preliminary Prospectus, any Registration Statement, the Prospectus, any Issuer Free Writing Prospectus or in any amendment or supplement thereto or in any Non-Prospectus Road Show or Blue Sky Application, any material fact required to be stated therein or necessary to make the statements therein not misleading, but in each case only to the extent that the untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by an Underwriter or through the Representatives by or on behalf of that Underwriter specifically for inclusion therein, and shall reimburse each Underwriter Indemnified Party promptly upon demand for any legal or other expenses reasonably incurred by such Underwriter Indemnified Party in connection with investigating or defending or preparing to defend against any such loss, damage, liability, action, litigation, investigation or proceeding whatsoever (whether or not such Underwriter Indemnified Party is a party thereto), whether threatened or commenced, as such expenses are incurred; *provided, however*, that the Company acknowledges that the only information the Representatives have furnished to the Company expressly for use in the Registration Statement, any Preliminary Prospectus, the Pricing Disclosure Package, any Issuer Free Writing Prospectus, and the Prospectus (or any amendment or supplement thereto) is such information specified in Section 8(e). The foregoing indemnity agreement is in addition to any liability that any Underwriter may otherwise have to an Underwriter Indemnified Party.

(c) Promptly after receipt by an indemnified party under this Section 8 of notice of any claim or the commencement of any action, the indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under this Section 8, promptly notify the indemnifying party in writing of the claim or the commencement of that action; *provided, however*, that the failure to notify the indemnifying party shall not relieve it from any liability that it may have under this Section 8 except to the extent it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure and, *provided, further*, that the failure to notify the indemnifying party shall not relieve it from any liability which it may have to an indemnified party otherwise than under this Section 8. If any such claim or action is brought against an indemnified party, and it promptly notifies the indemnifying party thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it wishes, jointly with any other similarly notified indemnifying party, to assume the defense thereof with counsel reasonably satisfactory to the indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party). After notice from the indemnifying party to the indemnified party of its election to assume the defense of such claim or action, the indemnifying party shall not be liable to the indemnified party under this Section 8 for any legal or other expenses subsequently incurred by the indemnified party in connection with the defense thereof other than reasonable costs of investigation; *provided, however*, that the indemnified party shall have the right to employ counsel to represent jointly the indemnified party and those other indemnified parties who may be subject to liability arising out of any claim in respect of which indemnity may be sought under this Section 8 if (i) the indemnified party and the indemnifying party shall have so mutually agreed; (ii) the indemnifying party has failed within a reasonable time to retain counsel reasonably satisfactory to the indemnified party; (iii) the indemnified party shall have reasonably concluded that there may be legal defenses available to them that are different from or in addition to those available to the indemnifying party; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the indemnified parties or their respective directors, officers, employees, partners, agents, affiliates or controlling persons, on the one hand, and the indemnifying party, on the other hand, and representation of both sets of parties by the same counsel would be inappropriate due to actual or potential differing interests between them, and in any such event the fees and expenses of such separate counsel shall be paid by the indemnifying party. No indemnifying party shall (i) without the prior written consent of the indemnified party (which consent shall not be unreasonably withheld), settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of such indemnified party from all liability arising out of such claim, action, suit or proceeding and does not include any findings of fact or admissions of fault or culpability as to the indemnified party, or (ii) be liable for any settlement of any such action effected without its written consent (which consent shall not be unreasonably withheld), but if settled with the consent of the indemnifying party or if there be a final judgment for the plaintiff in any such action, the indemnifying party agrees to indemnify and hold harmless any indemnified party from and against any loss or liability by reason of such settlement or judgment.

(d) If the indemnification provided for in this Section 8 shall for any reason be unavailable to or insufficient to hold harmless an indemnified party under Section 8(a) or 8(b) in respect of any loss, claim, damage or liability, or any action in respect thereof, referred to therein, then each indemnifying party shall, in lieu of indemnifying such indemnified party, contribute to the amount paid or payable by such indemnified party as a result of such loss, claim, damage or liability, or action in respect thereof, (i) in such proportion as shall be appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other, from the offering of the Shares or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and the Underwriters, on the other, with respect to the statements or omissions that resulted in such loss, claim, damage or liability, or action in respect thereof, as well as any other relevant equitable considerations. The relative benefits received by the Company, on the one hand, and the Underwriters, on the other, with respect to such offering shall be deemed to be in the same proportion as the total net proceeds from the offering of the Shares purchased under this Agreement (before deducting expenses) received by the Company, as set forth in the table on the cover page of the Prospectus, on the one hand, and the total underwriting discounts and commissions received by the Underwriters with respect to the Shares purchased under this Agreement, as set forth in the table on the cover page of the Prospectus, on the other hand. The relative fault shall be determined by reference to whether the untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or the Underwriters, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contributions pursuant to this Section 8(d) were to be determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take into account the equitable considerations referred to herein. The amount paid or payable by an indemnified party as a result of the loss, claim, damage or liability, or action in respect thereof, referred to above in this Section 8(d) shall be deemed to include, for purposes of this Section 8(d), any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 8(d), no Underwriter shall be required to contribute any amount in excess of the amount by which the net proceeds from the sale of the Shares underwritten by it exceeds the amount of any damages that such Underwriter has otherwise paid or become liable to pay by reason of any untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute as provided in this Section 8(d) are several in proportion to their respective underwriting obligations and not joint.

(e) The Underwriters severally confirm and the Company acknowledges and agrees that the concession and reallocation figures and the paragraph relating to stabilization by the Underwriters appearing under the caption "Underwriting" in the most recent Preliminary Prospectus and the Prospectus are correct and constitute the only information concerning such Underwriters furnished in writing to the Company by or on behalf of the Underwriters specifically for inclusion in any Preliminary Prospectus, any Registration Statement, the Prospectus, any Issuer Free Writing Prospectus or in any amendment or supplement thereto.

9. *Defaulting Underwriters.* If, on any Delivery Date, any Underwriter defaults in the performance of its obligations to purchase Shares under this Agreement, the remaining non-defaulting Underwriters shall be obligated to purchase or make arrangements reasonably satisfactory to the Company for other persons to purchase the Shares that the defaulting Underwriter agreed but failed to purchase on such Delivery Date in the respective proportions which the number of Firm Shares set forth opposite the name of each remaining non-defaulting Underwriter in Schedule I hereto bears to the total number of Firm Shares set forth opposite the names of all the remaining non-defaulting Underwriters in Schedule I hereto; *provided, however*, that the remaining non-defaulting Underwriters shall not be obligated to purchase any of the Shares on such Delivery Date if the total number of Shares that the defaulting Underwriter or Underwriters agreed but failed to purchase on such date exceeds 10% of the total number of Shares to be purchased on such Delivery Date, and any remaining non-defaulting Underwriter shall not be obligated to purchase more than 110% of the number of Shares that it agreed to purchase on such Delivery Date pursuant to the terms of Section 2. If the foregoing maximums are exceeded, the remaining non-defaulting Underwriters, or those other underwriters satisfactory to the Representatives who so agree, shall have the right, but shall not be obligated, to purchase, in such proportion as may be agreed upon among them, all the Shares to be purchased on such Delivery Date.

If the remaining Underwriters or other underwriters satisfactory to the Representatives do not elect within 36 hours of the default to purchase the shares that the defaulting Underwriter or Underwriters agreed but failed to purchase on such Delivery Date, this Agreement (or, with respect to any Option Share Delivery Date, the obligation of the Underwriters to purchase, and of the Company to sell, the Option Shares) shall terminate without liability on the part of any non-defaulting Underwriter or the Company, except as provided in Section 16 and except that the Company will continue to be liable for the payment of expenses to the extent set forth in Sections 6 and 11. As used in this Agreement, the term "Underwriter" includes, for all purposes of this Agreement unless the context requires otherwise, any party not listed in Schedule I hereto that, pursuant to this Section 9, purchases Shares that a defaulting Underwriter agreed but failed to purchase.

Nothing contained herein shall relieve a defaulting Underwriter of any liability it may have to the Company for damages caused by its default. If other Underwriters are obligated or agree to purchase the Shares of a defaulting or withdrawing Underwriter, either the Representatives or the Company may postpone the Delivery Date for up to seven full business days in order to effect any changes that in the opinion of counsel for the Company or counsel for the Underwriters may be necessary in the Registration Statement, the Prospectus or in any other document or arrangement.

10. *Termination.* The obligations of the Underwriters hereunder may be terminated by the Representatives by notice given to and received by the Company prior to delivery of and payment for the Firm Shares if, prior to that time, any of the events described in Sections 7(k) and 7(l) shall have occurred or if the Underwriters shall decline to purchase the Shares for any reason permitted under this Agreement.

11. *Reimbursement of Underwriters' Expenses.* If this Agreement is terminated by the Representatives pursuant to Section 7 or Section 10, or if the sale to the Underwriters of the Shares on the Delivery Date is not consummated because Company fails to tender the Shares for delivery to the Underwriters for any reason, the Company will reimburse the Representatives and the other Underwriters, severally, upon demand for all reasonable out-of-pocket expenses that have been reasonably incurred by the Representatives and the Underwriters in connection with the proposed purchase and the offering and sale of the Shares (including any reasonable fees and disbursements of counsel and such legal fees of the special counsel to the Independent Underwriter as stipulated in Section 6 of this Agreement). If this Agreement is terminated pursuant to Section 9 by reason of the default of one or more Underwriters, the Company shall not be obligated to reimburse any defaulting Underwriter on account of those expenses. Notwithstanding the foregoing, the Company shall not be responsible for the payment or reimbursement of the Underwriters pursuant to this Section 11 for (i) any out-of-pocket accountable fees and disbursements of counsel actually incurred by the Underwriters exceeding \$100,000 excluding such fees and disbursements of the special counsel to the Independent Underwriter as stipulated in Section 6 of this Agreement; (ii) any out-of-pocket accountable travel and related expenses actually incurred by the Underwriters in connection with this offering in an amount exceeding \$25,000; or (iii) any other reasonable out-of-pocket accountable expenses actually incurred by the Underwriters in connection with the performance of their services hereunder in an amount exceeding \$10,000.

12. *Research Analyst Independence.* The Company acknowledges that the Underwriters' research analysts and research departments are required to be independent from their respective investment banking divisions and are subject to certain regulations and internal policies, and that such Underwriters' research analysts may hold views and make statements or investment recommendations and/or publish research reports with respect to the Company and/or the offering that differ from the views of their respective investment banking divisions. The Company hereby waives and releases, to the fullest extent permitted by law, any claims that the Company may have against the Underwriters with respect to any conflict of interest that may arise from the fact that the views expressed by their independent research analysts and research departments may be different from or inconsistent with the views or advice communicated to the Company by such Underwriters' investment banking divisions. The Company acknowledges that each of the Underwriters is a full service securities firm and as such from time to time, subject to applicable securities laws, may effect transactions for its own account or the account of its customers and hold long or short positions in debt or equity securities of the companies that may be the subject of the transactions contemplated by this Agreement.

13. *No Fiduciary Duty.* The Company acknowledges and agrees that in connection with this offering, sale of the Shares or any other services the Underwriters may be deemed to be providing hereunder, notwithstanding any preexisting relationship, advisory or otherwise, between the parties or any oral representations or assurances previously or subsequently made by the Underwriters: (i) no fiduciary or agency relationship between the Company and any other person, on the one hand, and the Underwriters, on the other, exists; (ii) the Underwriters are not acting as advisors, expert or otherwise, to the Company, including, without limitation, with respect to the determination of the public offering price of the Shares, and such relationship between the Company, on the one hand, and the Underwriters, on the other, is entirely and solely commercial, based on arms-length negotiations; (iii) any duties and obligations that the Underwriters may have to the Company shall be limited to those duties and obligations specifically stated herein; and (iv) the Underwriters and their respective affiliates may have interests that differ from those of the Company. The Company hereby waives any claims that the Company may have against the Underwriters with respect to any breach of fiduciary duty in connection with this offering.

14. *Notices, Etc.* All statements, requests, notices and agreements hereunder shall be in writing, and:

(a) if to the Underwriters, shall be delivered or sent by mail or facsimile transmission to SunTrust Robinson Humphrey, Inc., 3333 Peachtree Road, NE, 10th Floor, Atlanta, Georgia 30326, Attention: Equity Capital Origination (Fax: 404-926-5940) and Seaport Global Securities LLC, Equity Capital Markets, 360 Madison Avenue, 21st Floor, New York, New York 10017, with a copy, in the case of any notice pursuant to Section 8(c), to the Legal Department of SunTrust Robinson Humphrey, Inc., 3333 Peachtree Road, NE, 10th Floor, Atlanta, Georgia 30326 (Fax: 404-214-8295), and with a copy to Thomas Levato, Goodwin Procter LLP, The New York Times Building, 620 Eighth Avenue, New York, New York 10018; and

(b) if to the Company, shall be delivered or sent by mail or facsimile transmission to the address of the Company set forth in the Registration Statement, Attention: William R. Any such statements, requests, notices or agreements shall take effect at the time of receipt thereof. The Company shall be entitled to act and rely upon any request, consent, notice or agreement given or made on behalf of the Underwriters by the Representatives.

15. *Persons Entitled to Benefit of Agreement.* This Agreement shall inure to the benefit of and be binding upon the Underwriters, the Company, and their respective successors. This Agreement and the terms and provisions hereof are for the sole benefit of only those persons, except that (A) the representations, warranties, indemnities and agreements of the Company contained in this Agreement shall also be deemed to be for the benefit of the directors, officers and employees of the Underwriters, each person or persons, if any, who control any Underwriter within the meaning of Section 15 of the Securities Act, and each additional Indemnified Party and QIU Indemnified Party pursuant to Section 8(a) of this Agreement, and (B) the indemnity agreement of the Underwriters contained in Section 8(b) of this Agreement shall be deemed to be for the benefit of the directors of the Company, the officers of the Company who have signed the Registration Statement and any person controlling the Company within the meaning of Section 15 of the Securities Act. Nothing in this Agreement is intended or shall be construed to give any person, other than the persons referred to in this Section 15, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein.

16. *Survival.* The respective indemnities, representations, warranties and agreements of the Company, and the Underwriters contained in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall survive the delivery of and payment for the Shares and shall remain in full force and effect, regardless of any investigation made by or on behalf of any of them or any person controlling any of them.

17. *Definition of the Terms "Business Day" and "Subsidiary".* For purposes of this Agreement, (a) "**business day**" means each Monday, Tuesday, Wednesday, Thursday or Friday that is not a day on which banking institutions in New York are generally authorized or obligated by law or executive order to close and (b) "**subsidiary**" has the meaning set forth in Rule 405.

18. *Governing Law.* **This Agreement shall be governed by and construed in accordance with the laws of the State of New York.**

19. *Counterparts.* This Agreement may be executed in one or more counterparts and, if executed in more than one counterpart, the executed counterparts shall each be deemed to be an original but all such counterparts shall together constitute one and the same instrument.

20. *Headings.* The headings herein are inserted for convenience of reference only and are not intended to be part of, or to affect the meaning or interpretation of, this Agreement.

If the foregoing correctly sets forth the agreement among the Company and the Underwriters, please indicate your acceptance in the space provided for that purpose below.

Very truly yours,

Ladies and Gentlemen:

The undersigned understands that you and certain other firms (the "**Underwriters**") propose to enter into an Underwriting Agreement (the "**Underwriting Agreement**") providing for the purchase by the Underwriters of shares (the "**Shares**") of Common Stock, par value \$0.001 per share (the "**Common Stock**"), of Ring Energy, Inc., a Nevada corporation (the "**Company**"), and that the Underwriters propose to reoffer the Shares to the public (the "**Offering**").

In consideration of the execution of the Underwriting Agreement by the Underwriters, and for other good and valuable consideration, the undersigned hereby irrevocably agrees that, without the prior written consent of SunTrust Robinson Humphrey, Inc. and Seaport Global Securities LLC, on behalf of the Underwriters, the undersigned will not, in his individual capacity, directly or indirectly:

(1) offer for sale, sell, contract to sell, pledge, or otherwise dispose of (or enter into any transaction or device that is designed to, or could be expected to, result in the disposition by any person at any time in the future of), directly or indirectly, any shares of Common Stock (including, without limitation, shares of Common Stock that may be deemed to be beneficially owned by the undersigned in accordance with the Rules and Regulations and shares of Common Stock that may be issued upon exercise of any options or warrants) or securities convertible into or exercisable or exchangeable for Common Stock,

(2) enter into any swap, hedge or other derivatives transaction that transfers to another, in whole or in part, any of the economic benefits or risks of ownership of shares of Common Stock, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of Common Stock or other securities, in cash or otherwise,

(3) make any demand for or exercise any right or cause to be filed a registration statement, including any amendments thereto, with respect to the registration of any shares of Common Stock or securities convertible into or exercisable or exchangeable for Common Stock or any other securities of the Company,

(4) establish or increase a put equivalent position or liquidate or decrease a call equivalent position in securities of the Company, or

(5) publicly disclose the intention by the undersigned individually to do any of the foregoing, for a period commencing on the date hereof and ending on the 90th day after the date of the Prospectus relating to the Offering (such 90-day period, the **“Lock-Up Period”**).

Notwithstanding the foregoing, the undersigned may transfer securities without the prior written consent of SunTrust Robinson Humphrey, Inc. and Seaport Global Securities LLC (i) as a bona fide gift or gifts; (ii) to any trust for the direct or indirect benefit of the undersigned or the immediate family of the undersigned (for purposes of this lock-up agreement, “immediate family” shall mean any relationship by blood, marriage or adoption, not more remote than first cousin); (iii) as a distribution to limited partners, members or stockholders of the undersigned; or (iv) to the undersigned’s affiliates or to any investment fund or other entity controlled or managed by the undersigned; provided in the case of any such transfers, it shall be a condition of such transfers that the recipients thereof agree to the lock-up restrictions in this Lock-Up Letter Agreement for the balance of the Lock-Up Period.

Any Common Stock received upon exercise of options granted to the undersigned will also be subject to this Lock-Up Letter Agreement.

In furtherance of the foregoing, the Company and its transfer agent are hereby authorized to decline to make any transfer of securities if such transfer would constitute a violation or breach of this Lock-Up Letter Agreement.

It is understood that, if the Company notifies the Underwriters that it does not intend to proceed with the Offering, if the Underwriting Agreement does not become effective, or if the Underwriting Agreement (other than the provisions thereof which survive termination) shall terminate or be terminated prior to payment for and delivery of the Shares, the undersigned will be released from its obligations under this Lock-Up Letter Agreement.

The undersigned understands that the Company and the Underwriters will proceed with the Offering in reliance on this Lock-Up Letter Agreement.

Whether or not the Offering actually occurs depends on a number of factors, including market conditions. Any Offering will only be made pursuant to an Underwriting Agreement, the terms of which are subject to negotiation between the Company and the Underwriters.

The undersigned hereby represents and warrants that the undersigned has full power and authority to enter into this Lock-Up Letter Agreement and that, upon request, the undersigned will execute any additional documents necessary in connection with the enforcement hereof. Any obligations of the undersigned shall be binding upon the heirs, personal representatives, successors and assigns of the undersigned.

Very truly yours,
